Rehabilitation and Human Services

WHAT IS AN INTERNSHIP?

An internship is a form of experiential learning that integrates knowledge and theory learned in the classroom with practical application and skills development in a professional setting. Internships give students the opportunity to gain valuable applied experience and make connections in professional fields they are considering for career paths; and give employers the opportunity to guide and evaluate talent.

-National Association of College and Employers (NACE)

WHO IS ELIGIBLE TO PARTICIPATE IN THE REHABILITATION AND HUMAN SERVICES INTERNSHIP PROGRAM?

All students majoring in Rehabilitation and Human Services must complete a required internship (RHS 495A). Students must have a minimum 2.0 GPA and have completed all 105 credits of required coursework to qualify for an internship.

WHEN SHOULD I APPLY FOR THE INTERNSHIP?

We encourage students to begin searching for an internship at least one semester or 4-6 months prior to needing the internship.

WHEN WILL THE INTERNSHIP TAKE PLACE?

You can begin your internship once it is approved by your faculty advisor, is officially registered on LionPath, and you and your site supervisor agree on a start date.

HOW MANY ACADEMIC CREDITS AND HOURS ARE INVOLVED?

Students will earn 12 credits and must complete 480 hours during the semester they are interning.

WHAT IS AN APPROPRIATE INTERNSHIP SITE?

Internships must take place in a professional setting, under direct supervision. Internship site supervisors must have an advanced degree, and experience in the specific field of study.

IS THIS THE ONLY INTERNSHIP I SHOULD COMPLETE WHILE I'M IN COLLEGE?

No, students are encouraged to experience more than one internship during college. Talk to your counselor to discuss your options.
